Project Name	Inventory Management System for Retailers

The screenshot shows the SendGrid web interface in a browser window. The address bar displays 'app.sendgrid.com/email\_activity'. The left sidebar contains a navigation menu with items: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS. The main content area is titled 'Activity Feed' and includes a search bar with the text 'Search emails by:'. Below the search bar, there are input fields for 'To email address' and 'Dates' (set to '2022/11/19 - 2022/11/22'). A 'Search' button is visible. The main area also features a large message: 'Find a Needle in the Haystack' with a subtext: 'Retrieve information about every email you've sent in the past 3 days by clicking "Search". Up to 30 days of history is available for purchase.' and a 'Show All Activity' button. The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 10:10 on 22-11-2022.
